WELCOME FRIENDS!
“Come with me by yourselves to a quiet place and get some rest.”

Mark 6:31
We, the Dominican Sisters of Sparkill, invite you to spend some time Recreating at our Vacation/Retreat villas “on the Hudson”.

We welcome individuals, families, ministry partners and those you serve to come and spend some time in the heart of Creation.
The Dominican Sisters are a congregation of women religious and associates. Tracing their roots back to the Order of Preachers founded by St. Dominic in the early 13th century, the Sisters are committed to preaching and teaching the good news of the Gospel through ministry for justice and reverence for all creation.

Members of the congregation minister throughout the United States and Pakistan. Sisters serve in education, housing, administration, health care, pastoral and retreat ministries, art, social services and advocacy for poor and underserved populations.

We purchased this gem of real estate, 192 acres along the Hudson River, for a vacation destination for the Sisters. This property runs in a north/south direction with Villa St. Joseph, Saugerties on the north and Villa St. Dominic, Glasco, on the south.

For many years the Sisters have enjoyed coming to our “Upstate Property” for revitilization and relaxation, often at our pool. In collaboration with Scenic Hudson, the Falling Waters Preserve was established on much of the property. The preserve along the Hudson provides miles of groomed trails in the woods for hiking or just strolling.

Many groups, families and individuals spend quality time at our villas. We are happy to offer this opportunity to you and your group.
